Rosie O'Gradys Function Brochure

The Limerick Room

Located on the first floor the Limerick room has its own private bar and can hold up to 50 for a formal sit down meal or up to 110 cocktail style (including the balcony). The large balcony outside the Limerick is user friendly at any time of year. It is heated in winter and plastic blinds shield it from the elements. It is especially appealing on balmy summer nights. The Limerick is our most popular function room for informal stand up occasions such as birthdays, sundowners, anniversaries, engagements and relaxed wedding receptions.

The Trinity Room

Also located on the first floor, the Trinity is very popular for conferences, business seminars, wedding receptions, presentation nights and end of year Christmas dinners. This room can cater for up to 80 people for a sit down meal, 30 for a boardroom or U-shape arrangement and 100 for a classroom style set up.

The Curragh

This room is beautifully presented with stained glass windows, jarrah trimmings and decorative ceilings. As it contains its own bar it is most popular for sundowners and cocktail parties of up to 80 people, but can also easily cater for formal meals for up to 50. Located on the ground floor of the hotel this room also has the added advantage of easy access for guests who have difficulty with stairs, and is wheelchair accessible.

**ALL ROOMS ARE AVAILABLE FOR VIEWING ON REQUEST.
